SCOTCH PINE CHRISTMAS TREES

Green to blue in color

Many-times-sheared, full, well shaped trees.

Each year adds tree quality by:
- Better shearing practice,
- Time to gain desired market size,
- Developing pleasing fullness,

All trees individually tied on the field where they grew; loaded there by elevator, hauled from there direct to you. All for better tree condition on your lot.

You are invited to come see them to better judge the quality you'll be selling.

Delivery by our truck or yours.
Ask for Christmas Tree Bulletin.

PRELIMINARY LIST

Opposite we give you price and size of trees offered this season.

Later mailing will bring a list giving more pictures to better show tree quality.

YEWS

In once transplanted YEWS we offer a quiet respectable inventory especially strong in seed grown capitata, two size grades.

These are illustrated over page strong roots and good tops, several times sheared.

Capitata seedlings are very strong in roots.

Four varieties are listed in cutting grown once transplanted stock.

PINES, FIRS, SPRUCES

These we have in the usual run of sizes and variety and attractively priced.

QUALITY SEEDLINGS — TRANSPLANTED LINERS
